Claimant with Rana Muhammad Kashif Naveed Advocate.

Preliminary arguments heard and record perused.

2. Since, all the defendants are residents of Lahore and the contention of the learned counsel is that the cause of action partly arose at Sargodha, is not being supported by the documents on the file. Needless to say that the residence of the claimant in Sargodha is not helpful to the question of territorial jurisdiction of this court as provided in **Section 27** of the Punjab Consumer Protection Act, 2005.
