

SADIA SHARIF VS CHAIRMAN OTCS

Present: Nemo for the claimant.

The instant claim was filed on 20-01-2017 but due to non appearance and non depositing of process fee, the same was dismissed on 29-05-2017. Thereafter the petitioner has filed the instant application. Since 31-10-2017, directions are being issued to the petitioner for depositing of process fee but the petitioner did not comply with even the single order passed by this Court. Even otherwise on many consecutive dates neither the petitioner nor his counsel is appearing in the Court nor had deposited the process fee for summoning the defendant which show her lack of interest in pursuing the matter. Today again repeated calls were made on different intervals but neither the claimant nor his counsel has appeared nor has deposited the process fee. Therefore the petition in hand is hereby dismissed due to (i) non prosecution (ii) non appearance and (iii) non depositing of process fee. File be consigned to record room after due completion.
